CAPABILITIES STATEMENT

WA

VIC

NSW

Redstone Facilities respectfully acknowledges the Traditional Custodians of the land on which we operate. We pay our respects to their Elders past, present, and emerging. We recognise and honour the continuing connection to lands, waters, and communities across Australia. As an Indigenous-owned and operated business, we are committed to fostering respectful and sustainable relationships with Aboriginal and Torres Strait Islander peoples and communities.

WHO ARE WE

Introducing Redstone, a pioneering integrated facilities management company established in 2023. With a rich history of delivering trusted quality service, we have evolved alongside, embracing growth and innovation.

Our distinctive approach sets us apart in the market, anchored by an unwavering dedication to providing comprehensive construction solutions. Backed by a seasoned project management team and cutting-edge business processes, we ensure seamless execution from design to ongoing maintenance. Our comprehensive offerings span Mining Services, Construction and Property Services, End-to-End Construction Solutions, and product supply all delivered by an Indigenous Business.

REDSTONE
FACILITIES

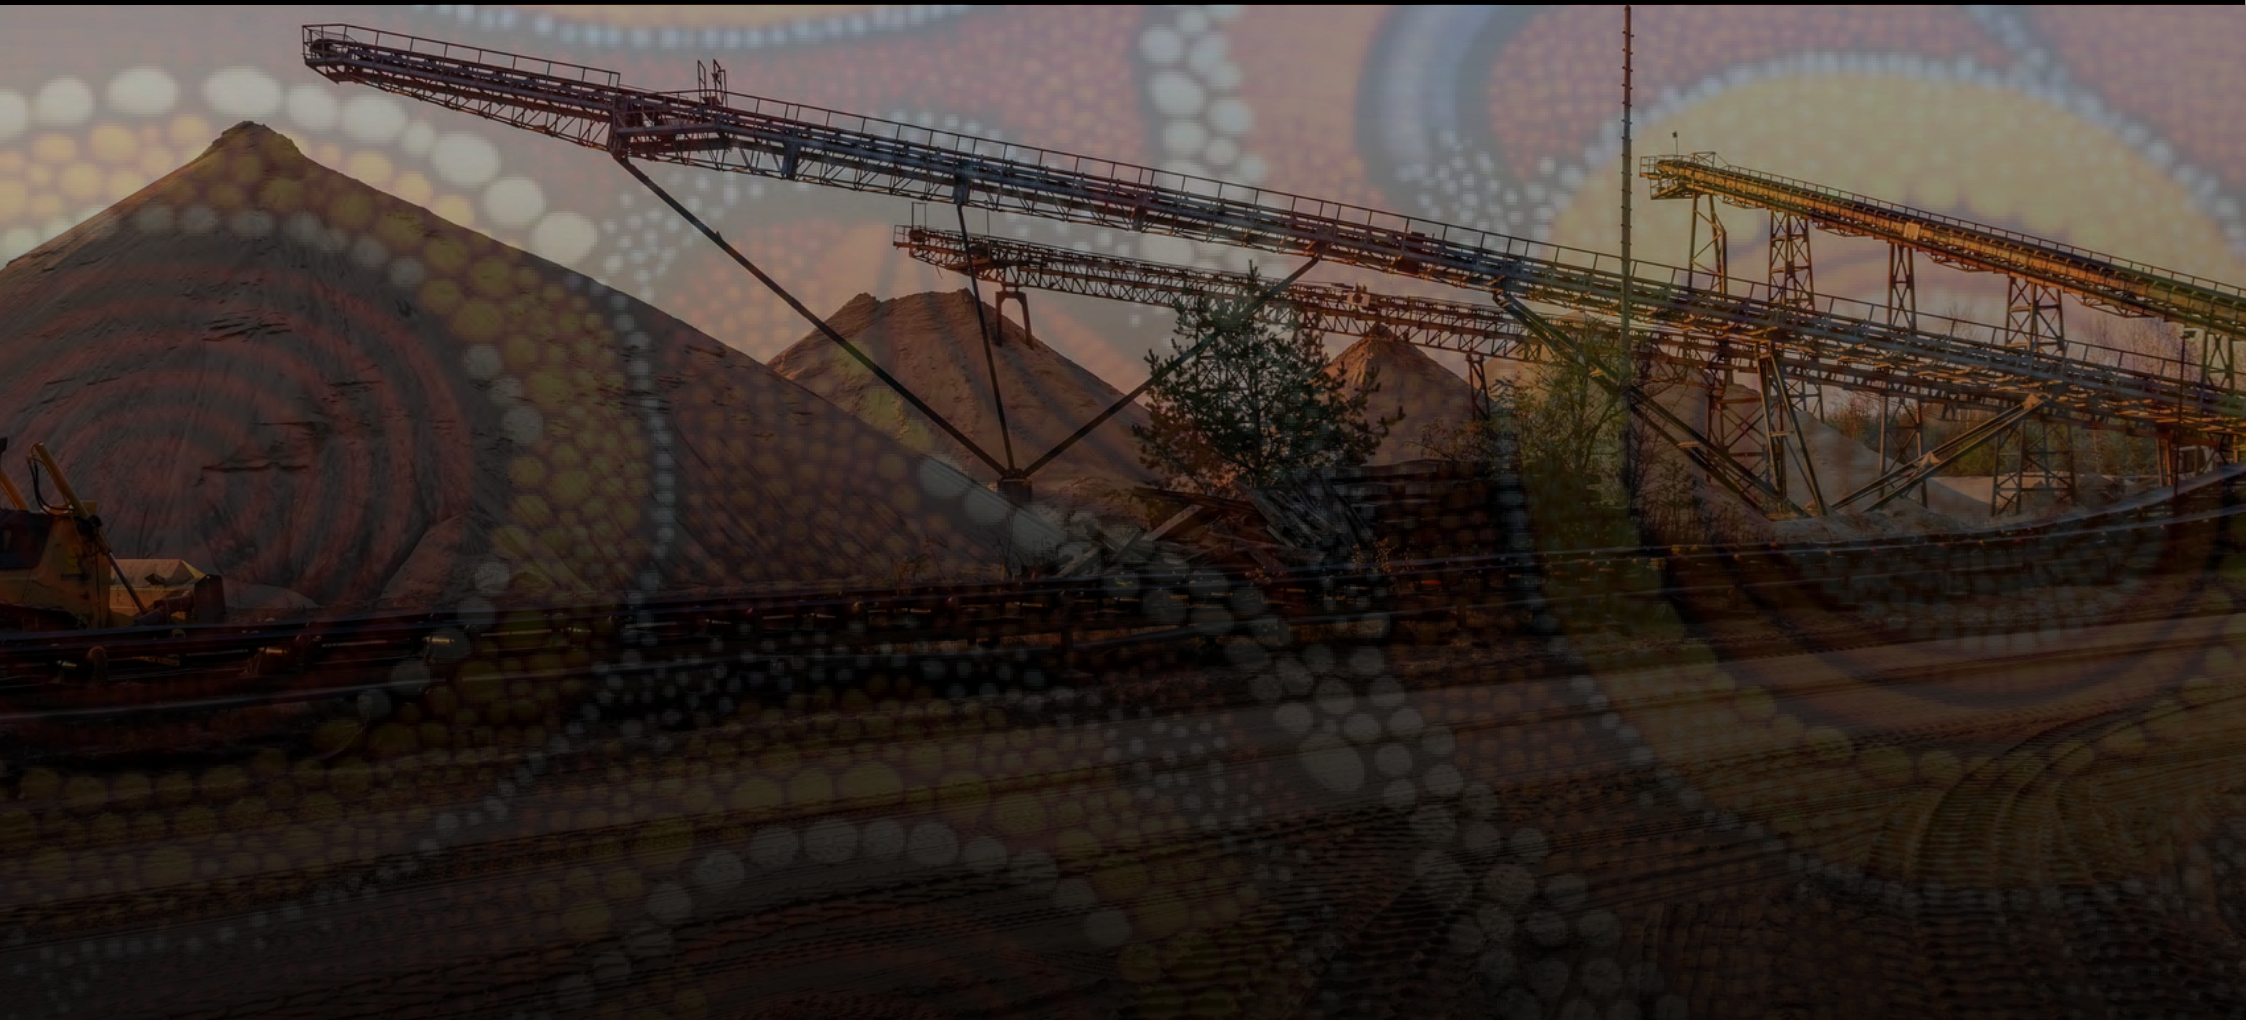

OUR MISSION

We are committed to delivering top-tier service facilitation solutions, with a focus on excellence, innovation, and sustainability. Our goal is to not only meet but exceed client expectations, while also empowering our workforce to achieve their fullest potential.

OUR VISION

To be the industry leader in integrated facilities management, renowned for our dedication to safety, quality, and environmental stewardship, fostering long-term success for our clients, employees, and communities.

OUR CORE VALUES

OUR BUSINESS WITH PURPOSE

We prioritise safety and the environment, operating responsibly to manage risk whilst supporting our clients to facilitate greater Indigenous engagement in the Mining, Civil and Construction industries.

WE RESPECT

We hold the utmost respect for the Indigenous traditional owners of country throughout Australia and their continuing connection to land and sea. We pay respect to them and their cultures, to elders, past and present. We uphold and respect our team as they are Redstone Facilities Pty Ltd, with a strong respect also held for the clients with whom we work with.

WE ARE ACCOUNTABLE

We take ownership of our actions, choices and behaviours and deliver on our promises and commitments.

WE ARE FAMILY

We show and support each other and have each other's backs. We care for each other and the environment we work in and celebrate our diversity because it makes us stronger.

OUR MASSIVE VISION

We aspire to grow, develop and promote the future goals of our company within our team so all share in the process.

WE EMPOWER

We set pioneering goals, promote high performance and support our people to generate new ideas and leadership.

INDIGNEOUS STATEMENT

Introducing Redstone, a pioneering integrated facilities management company established in 2023. With a rich history of delivering trusted quality service, we have evolved alongside growth and innovation.

As a majority-owned and operated Indigenous company with a national footprint, Redstone is dedicated to empowering our communities. We proudly collaborate with a diverse range of customers, from large corporates and tier 1 companies to state and federal levels. Our commitment is steadfast: to prioritise our communities by providing real training and real jobs, nurturing the Indigenous leaders of tomorrow.

Our National Indigenous Participation Strategy is at the heart of everything we do. We strive to create opportunities that not only benefit our business but also foster the development and success of Indigenous Australians. By embracing growth and innovation, we ensure that our services not only meet but exceed the expectations of our clients while making a meaningful impact on our communities.

At Redstone, we believe that sustainable growth and community empowerment go hand in hand. Our vision is to be a beacon of excellence and a catalyst for positive change in the industries we serve. Join us on our journey as we pave the way for a brighter, more inclusive future.

ENVIRONMENTAL COMMITMENT

We are committed to protecting the communities' living standards and the environmental heritage of future generations.

We aim to conduct a profitable business that demonstrates its commitment to protecting the quality of the air, water, and soil environment, using quality products that minimise the environmental impact of all operations.

HEALTH AND SAFETY

**SAFETY
FIRST**

Redstone endeavors to maintain a Quality Work Health and Safety System with our employees' wellbeing integral to the success of our business. We are committed to the safety and reliability of all businesses and employees we work with.

We prioritise the physical and mental safety of our employees, fostering an environment where every team member feels valued. With a cultured leadership team, our presence aims to have a positive influence on our clients, service providers, suppliers, our people, and the community.

NATIONAL COVERAGE WITH NATIONAL CAPABILITIES

With national capabilities, Redstone Facilities provides comprehensive services across Australia. Our extensive network and dedicated teams ensure that we deliver top-tier solutions to mining, construction, and civil sectors nationwide. No matter where your project is, Redstone is equipped to meet your needs with efficiency and reliability.
